## *Forward*

The new Editorial Board of *Carte Italiane*, Christine Company and Erica Westhoff, is pleased to present volume 18 after a lengthy organizational hiatus. We are enthusiastic about this opportunity to contribute to the long-standing tradition that is *Carte Italiane*. We are looking forward to future publications; including a special edition devoted to Elio Pagliarani and his recent tour of North America. We also hope to publish an issue in honor of the 700<sup>th</sup> anniversary of the birth of Francesco Petrarca.

We would like to take this opportunity to extend our gratitude to the Advisory Board, in particular the Chair of the Department Professor Massimo Ciavolella. The Editorial Board especially thanks Graduate Advisor Professor Thomas Harrison for his unwavering support and continued contributions through this difficult transitional period. This publication would not have been possible without the support of both the Italian Department and the Graduate Student Association of the University of California, Los Angeles.

Finally, we would like to thank you for your patience and continued support of *Carte Italiane*.
